DISCLOSURE

We may disclose your personal information if we are required by law to do so or if you violate our Terms of Service.

Aalzone Infotech

Our website is hosted on yola.com. They provide us with the online e-commerce platform that allows us to sell and promote our products and services to you.

Your data is stored through our data storage, databases and the general Aalzone Infotech application. They store your data on a secure server behind a firewall.

Payment:

Aalzone Infotech does not stores your credit card data. It is encrypted through the Payment Card Industry Data Security Standard (PCI- DSS). Your purchase transaction data is stored only as long as is necessary to complete your purchase transaction. After that is complete, your purchase transaction information is deleted.

All direct payment gateways adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover.

PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.

THIRD-PARTY SERVICES

In general, the third-party providers used by us will only collect, use and disclose your information to the extent necessary to allow them to perform the services they provide to us.

However, certain third-party service providers, such as payment gateways and other payment transaction processors, have their own privacy policies in respect to the information we are required

to provide to them for your purchase-related transactions.

For these providers, we recommend that you read their privacy policies so you can understand the manner in which your personal information will be handled by these providers.

In particular, remember that certain providers may be located in or have facilities that are located a different jurisdiction than either you or us. So if you elect to proceed with a transaction that involves the services of a third-party service provider, then your information may become subject to the laws of the jurisdiction(s) in which that service provider or its facilities are located.

As an example, if you are located outside of United States and your transaction is processed by a payment gateway located in the United States, then your personal information used in completing that transaction may be subject to disclosure under United States legislation, including the Patriot Act.

Once you leave our website or are redirected to a third-party website or application, you are no longer governed by this Privacy Policy or our website's Terms of Service.
